RE: Notification of Nutritional Support Statements

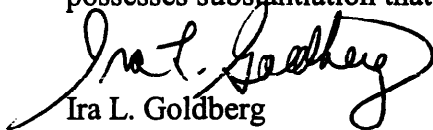

Dear Sir or Ma'am:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of Ellagic Active™ a dietary supplement. Source Naturals® is the manufacturer of Ellagic Active™.

Statements being made in the labeling of Ellagic Active™.

- 1) Source Naturals Ellagic Active™ contains high concentrations of ellagitannins, which are converted into ellagic acid by the body.
- 2) Current *in vitro* and animal research has shown that ellagic acid is a powerful antioxidant that may support DNA integrity and promote overall cell health.

To the best of my knowledge and belief, and based upon information available at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.
